# Platform & Crane Scales Scales

ENDEAVOUR INSTRUMENT PVT. LTD.

## EDS/EPS/EPM

### Features

- Sturdy MS square pipe structure provides equal Load distribution
- Small but sturdy structure for rugged use
- Optional weighing indicators
- Heavy duty structure
- Stainless steel top, Back Grill
- Overload Protection
- Optional MS Top Available

### Specifications

|                      |  |
|----------------------|--|
| <b>Capacity</b>      | 50kg 100kg 200kg 300kg 500kg                 |
| <b>Readability</b>   | 5g 10g 20g 50g 50g                           |
| <b>Platform size</b> | 400 x 400 mm<br>500 x 500 mm<br>600 x 600 mm |

## EPL

### Features

- Sturdy MS square pipe structure provides equal Load distribution
- Small but study structure for rugged use
- Optional weighing indicators
- Heavy duty structure
- Stainless steel top, Back Rail
- Overload Protection
- Optional SS/MS top available

### Specifications

|                      |                   |
|----------------------|-------------------|
| <b>Capacity</b>      | 200kg 300kg 500kg |
| <b>Readability</b>   | 20g 50g 50g       |
| <b>Platform size</b> | 750X750mm         |

## EPSS/EP SX

### Features

- Extra 'C' channel structure provides equal Load distribution
- Standard Mild Steel checkered Top cover and Back grill for support
- Over Load stoppers and Transport Protection
- Rocker pin foot assembly provides stability and durability (EP SX series)
- EPSS Series - four load cell system
- EP SX Series - Four Load Cell System - Single Point beam Load Cell

### Specifications

|                      |   |
|----------------------|---|
| <b>Capacity</b>      | 50kg 100kg 200kg 300kg 500kg                                      |
| <b>Readability</b>   | 50kg 100kg 200kg 500kg 500kg                                      |
| <b>Platform size</b> | 900X900X mm-EPSS<br>1250X1250 mm - EP SX<br>up to use design size |

## CRANE SCALE

### Features

- Big easy readable red LED display-height: 1.2"
- Accuracy: compatible to OIML class III
- Safety limit co-efficient: 4
- Gravity acceleration correction; so can be used anywhere in the world
- whole load, cell; so very strong and highly durable
- Low voltage indicator for battery voltage
- Power Saving function-auto shut off after 1.5 hrs of non use
- full function remote controller (optional)

### Specifications

|                    |  |
|--------------------|--|
| <b>Capacity</b>    | 1T 2T 3T 5T 10T 15T 20T                            |
